

UNITY HOME CARE AGENCY, INC.

Our Agency staff is comprised of highly qualified Nurses, and Paraprofessional Home Care Workers. Our Home Health Aides, Personal Care Aides and Homemakers have been trained in programs approved by the New York, Massachusetts, and other State Departments of Health.

To ensure that our staff maintain their skills, Unity Home Care Agency, Inc., provides competency testing annually as well as providing ongoing inservice education programs and on-the-job training.

Unity Home Care Agency, Inc. conducts a rigorous screening of all applicants at the time of hiring to ensure that you receive the finest home care services available. The Agency obtains references as well as conducting a background check through the NY & MA State Departments of Health and CORI verification of credentials and competency testing.

PAYMENTS FOR SERVICES

Unity Home Care Agency, Inc. accepts private payment and some health care insurance plans with home care coverage. We accept Medicaid Insurance.

Upon verification of coverage and receiving approval from your health insurance company, the home care agency will submit bills directly to your insurance company OR bill you directly while providing any necessary medical documentation to facilitate your reimbursement for home care services.

Any co-payment or deductibles in accordance with the policy coverage will be billed to the patient.

To begin services our Registered Nurse conducts a nursing assessment in your home to determine your needs. The RN then establishes the Plan of Care and Tasks with you, your family and physician. The RN will make regularly scheduled visits to your home to supervise the aide.

The following services can be provided by our staff based on their training and the NYS Department of Health scope of services:

- ❖ **Assistance with Dementia & Alzheimer's Patients.**
- ❖ **Assistance with bathing & grooming.**
